IMPORTANT DEFINITIONS:

In-Network

Doctors, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices.

Out of Network

Doctors, Hospitals and other health care providers who have **not** agreed to any prearranged fee schedule. Insured Person may incur significant out-of-pocket expenses with these providers. Charges that exceed insurance payment are the Insured's responsibility.

Medical Emergency

A sudden, serious and unexpected sickness or injury. If absence of immediate medical attention, a reasonable person could believe that these conditions would result in serious impairment of bodily functions or death.

If the emergency room doctor states your visit is a **non-emergency**, the insurance company may not pay your bills.

Deductible

This is the amount of money you **will have to pay** toward a medical bill before the insurance company pays.

Co-Pay

Is the specific dollar amount which you **must pay** to a provider or pharmacy at the time of service.

Preventive Care

A remedy that prevents or slows the course of an illness or disease. Any routine physical examinations or routine testing; screening exams or testing in the absence of an injury or sickness.
