EXCESS COVERAGE PROVISION The Company will pay Reasonable Expenses that are not recoverable from any Other Plan. The Company will determine the amount of benefits provided by Other Plans without reference to any coordination of benefits, non-duplication of benefits, or similar provisions. The amount from Other Plans includes any amount, to which the Insured is entitled, whether or not a claim is made for the benefits. This Blanket Student Accident Insurance is secondary to all other policies. This provision will not apply if the total Reasonable Expenses incurred for Hospital and Professional Services Benefits are less than the amount stated in the Schedule of Benefits under Excess Coverage Applicability.

MEDICAL BENEFITS When a covered Injury to a student results in 1) treatment by a legally qualified Physician or surgeon (other than a member of the immediate family or person retained by the school) or 2) Hospital confinement, and treatment begins within 60 days from the date of Injury, the Company will pay the benefit as shown in the Schedule of Benefits, subject to the Excess Coverage Provision above. Only eligible medical expenses incurred by the Insured within 52 weeks from the date of the Accident are covered. Benefits for any one Accident shall not exceed in the aggregate the maximum stated in the Medical Benefit plan purchased. Expenses incurred after one year from the date of Injury are not covered, even though the service is a continuing one, or one that is necessarily delayed beyond one year from the date of Injury.

ACCIDENTAL DEATH, DISMEMBERMENT AND LOSS OF SIGHT When a covered Injury results in any of the Losses to the Insured which are stated in the Schedule of Benefits for Accidental Death, Dismemberment, or Loss of Sight then the Company will pay the benefit stated in the schedule for that Loss. The Loss must be sustained within 365 days after the date of the Accident.

The maximum benefit payable under this provision is stated in the Schedule of Benefits under Maximums and Benefit Period: 1) Life 2) Both Hands or Both Feet or Sight of Both Eyes; 3) Loss of One Hand and One Foot; 4) Loss of One Hand and Entire Sight of One Eye; 5) Loss of One Foot and Entire Sight of One Eye; 6) Loss of One Hand or Foot; 7) Loss of Sight in One Eye; 8) Loss of Thumb and Index Finger of the Same Hand. Half of the maximum benefit will be paid for the Loss of one Hand, one Foot or the Sight of one eye. Loss of Hand or Foot means the complete Severance through or above the wrist or ankle joint. Loss of Sight means the total, permanent Loss of Sight in One Eye. The Loss of Sight must be irrecoverable by natural, surgical or artificial means. Loss of Thumb and Index Finger of the Same Hand means complete Severance through or above the metacarpophalangeal joints of the same hand (the joints between the fingers and the hand). Severance means the complete separation and dismemberment of the part from the body. If the Insured suffers more than one of the above covered losses as a result of the same Accident the total amount the Company will pay is the maximum benefit. Benefits paid under this provision will be paid in addition to any other benefits provided by the Policy. Benefits under this provision are subject to all other provisions of the Policy, including all Coverage and Limitations, Maximums and Exclusions.
